**ALPHA PHI OMEGA INDUCTS 75 PLEDGES FOR
75th ANNIVERSARY PLEDGE CLASS**

Phi Chapter of Alpha Phi Omega, the national co-ed service fraternity, inducted its 75th Anniversary pledge class on February 10, 2007. A total of 75 Syracuse University and SUNY-ESF students were inducted in a traditional ceremony at Hendricks Chapel.

These 75 pledges form Phi Chapter's largest ever pledge class. They now enter a nine-week pledge process towards full brotherhood in Phi Chapter, in which they will prove their commitment to the fraternity's core values of leadership, friendship and service. They then will join 97 currently active or abroad brothers in one of the largest chapters of Alpha Phi Omega in New York.
